

## **Important COVID-19 Update**

Due to the surge in positive COVID-19, FirstCoast MCC's Board of Directors has made the decision to suspend ALL in person services and activities at this time. We will continue to monitor the situation and make the decision when it is safe to begin meeting in person again when there are no longer spikes in infections and when the vaccine is available to all. We are called to care for our neighbors and for the vulnerable among us. Staying home is the best way for us to love one another at this time. As soon as we are able to safely meet in person we will make that announcement giving everyone sufficient notice with COVID-19 Protocol instructions that will be enforced for everyone's safety.

In the meantime, plan to continue joining us for our **Virtual Worship on [Facebook](#) Live at 10:30 am each Sunday.**

We pray each of you are safe and healthy! Please ***continue*** to stay in touch with each other, assist those you can, lift each other up in prayer and be faithful by financially supporting [FirstCoast MCC](#) during this time.
